stargroups

starwoodmeetings.com

StarGroups is an online group booking tool that provides customized websites for clients' upcoming events and programs with real-time reporting access. StarGroups allows our clients to communicate specific event information through documents, hyperlinks and even event images!

reservation crosscheck

starwoodmeetings.com

A tool to compare a meeting planner's Excel-formatted registration list against the in-house reservation list to automatically "cross check" the lists in less than 15 minutes.

reservation connection

starwoodmeetings.com

Reservation Connection allows you to automatically upload rooming lists from third-party housing bureaus and meeting planners. It eliminates the manual entry of rooming lists to ensure error-free reservations!

starwood convention collection

starwoodconventioncollection.com

The Starwood Convention Collection is an elite group of some of Starwood's largest hotels providing seamless meeting planning for large-scale, multi-year programs. Each SCC hotel is located in a top destination and offers an outstanding convention or meeting experience with exceptional service and unparalleled facilities. Together, Starwood Convention Collection hotels simplify and standardize the contracting process, ensure that post-event information is shared and consistently deliver superior events.

Programs

starwoodpro starwoodpro.com

Created by professionals, for professionals, StarwoodPro puts the information and tools you rely on most – the ability to research locations, dynamic search that helps pinpoint the right properties, and a booking shortcut tool – all in easy reach.

starnet starwoodnet.com

STARnet presents Global Leisure Net Rates for Approved Sellers of Packaged Travel at all Starwood properties worldwide. This exciting program offers last room availability and rate integrity with the ease of online booking. The program is designed for sellers of packaged travel who do not have the ability to negotiate local contracts based on local volume requirements. In addition, STARnet can supplement locally negotiated agreements with a single STARnet contract, opening up a world of new Starwood destinations and hotels.

starwood spa collection starwoodspacollection.com

The founding principles of the Starwood Spa Collection are based on The Seven Pillars of Well-Being[®], beauty, life balance, harmony, aqua, vitality, nature, & nutrition. As unwavering standards of excellence, the Pillars distinguish each spa in our collection by addressing wellness, health and beauty with all-inclusive spa programs for the body and mind wherever our guests may find themselves.
